### Newly Discovered Frog Looks Like Kermit

Recently, a scientist discovered a type of frog that looks a lot like Kermit. Kermit the Frog is a well-known puppet frog who has bulgy eyes and is a special shade of green.

The recently discovered frog is a type of glass frog. Glass frogs get their name from the way their tummy looks. Many of them have translucent skin on their stomach, meaning that you can see through it. You can see some of the frog's organs including the heart and liver.

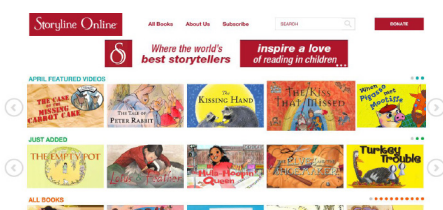

Scientists think that the glass frog developed a translucent tummy so that it would be hard to spot as it sits on a branch or leaf. That means that other animals that want to eat it would have a more difficult time finding it.

#### 字彙動動腦

• bulgy 【凸出】 • glass frog 【玻璃蛙】 • translucent 【半透明】 • organs 【器官】 • liver 【肝】

## 學美語的不二選擇

大里永隆分校 Intensive 1A Amy Chou 媽媽

我是個非常注重孩子成長過程以及教育歷程的家長。Amy從小唸雙語幼稚園，在語文及藝術方面特別有熱忱，為了讓Amy延續對語言的興趣，小學一、二年級便在住家附近的美語補習班就讀，之後卻發現Amy出現停滯不前甚至提不起興趣的狀況，於是，我在孩子升小三的暑假很認真地尋找其他美語補習班，最後選擇全外師授課的「弋果美語」，很幸運地在大里區新開了一家分校，二話不說便讓孩子報名一學期的課程。

起初，因為對全外師環境的不熟悉，Amy第一學期進入時有些排斥，因為一開始聽不懂也不曉得如何回答問題，後來在弋果課程的薰陶下漸入佳境，除了明白外師的課堂內容還能與老師互動，孩子也對美語越來越有信心。

第二學期開始，國民小學舉辦英文朗讀比賽，Amy被選中代表參加，原本她因為膽怯與沒自信不想接下比賽，後來在弋果美語的主任以及中、外師的協助下，Amy一點一滴的建立自信心，在朗讀技巧上有很大的提升，最後在比賽中獲得第一名，很感謝弋果美語老師們的協助。

對我來說，能夠讓孩子在輕鬆、愉快的環境裡學習美語是件很棒的事情，也很幸運地遇到弋果美語，Amy每天都很開心跟我分享在弋果上課的情形，看到她在Reading以及Speaking的顯著進步，真的很欣慰！如果您跟我一樣，想讓孩子浸泡在快樂的美語環境中，弋果美語是您最明智的選擇！

## 許孩子一個美好的未來

新竹高鐵分校 Winnie 李主任

做對的選擇、尋好的團隊、用真誠的心辦學，自2012年弋果美語新竹高鐵分校開幕以來，每一天我們全體團隊夥伴都堅持走在對的路上，懷抱愛孩子的心、極具恆心與毅力地向前邁進！

有人問我，怎麼能肯定你所做的就是對的選擇？那是因為我從2003年加入弋果以來，看到曾經教授的弋果小鷹們都已一一成長茁壯，各自在人生的輝煌路上，快樂且自信地向前邁進。16年來，最早我教授的孩子們已從8歲長成了24歲，彼此仍保持著聯繫與互動。若說這世界上，有誰會對你的快樂與成就同感欣慰與開懷，而不帶一絲酸澀與忌妒？那肯定就是你的父母與老師了！

這些年來，我漸漸體會到孩子們的直覺與單純信賴，每一雙小小的手，每一個短短卻可愛的小身影，你對他們的好，他們都會感覺到。那些天，長得比自己高大的孩子們突然陸續到訪，彼此擁抱、話說當年，謝謝你的溫暖與教導，那是一種心頭滿溢的美好，師者最大的驕傲。

教育是我無悔的志業，因為我看見、更知道這條路會帶給孩子怎樣的美好未來。我們一路順應時勢變遷、精益求精，在孩子每一次的躍起前，就在平時蓄飽能量，以求在全力躍進時，跑得穩、跳得高，抓獲成功的果實！而我們的孩子也往往成績耀目，榮光照校門。感激一路用心相挺的團隊夥伴，感恩家長一路的鼓勵與信賴，教育能翻轉孩子的未來，讓我們一起為孩子打開世界的窗，迎向更寬廣、美好的未來！

### Dinosaur in the Backyard

松山民生分校 - Intensive 3B Sophie Yu

A long time ago, there was a family that lived in West Virginia. This family had a girl named Tina, and a boy named Mark. Their family name was Parker. They were a happy family. They just moved to a new house, but under their house, there were dinosaur's bones. No one ever knew that there were dinosaurs living in West Virginia. After they moved there, the neighbors told the Parker family that there was a building work beside their house. The neighbors said, "It's almost done, it will be finished in one week. During the day, it might be a little noisy." In the beginning, they didn't mind the noise from the backyard, but they didn't know that the noise was not because of the building work.

One week later, the building work was done, but the backyard still had a strange sound sometimes. One day, Tina and Mark went out to see what had happened outside. When Tina and Mark were outside, they saw a tiny red dinosaur. It had wings and could fly. It also had big, beautiful,

blue eyes. "Amazing! A dinosaur is in our backyard!" Mark said. "We should tell Mom!" said Tina. When Mom heard that, she was so surprised. She told her husband, Mr. Parker, to find a paleontologist and see if the paleontologist could help them. The paleontologist was so happy that he could do an experiment on a real dinosaur.

The paleontologist used a special device to put microchips into the dinosaur's body and he wanted to free the dinosaur in the forest after all the scientific examination of its health condition. But before that, Tina and Mark wanted to play with the dinosaur for a few days. The paleontologist said, "You can both go to watch the dinosaur every day if you want to." Then, Tina and Mark played with the dinosaur in the paleontologist's laboratory before it was released to the forest, and they thought the dinosaur was their pet, so they gave it a name, Jim. Later, Tina and Mark could see Jim after school, and they could ask Jim to sit down and even ride on him. This was the coolest thing that ever happened in their life.
