

## The Magic Apron

page 1

Jenna:(悲傷的說)	I'm not a good cook. Nobody likes to eat what I cook. I'm so sad.
Amy:(沒精神) (摸身上) (最後一句搖頭)	I hate food. Food makes me fat. Look at me. I'm as fat as a cow. I don't want to eat anything anymore.
Jenny:	Hey, there is something on the ground.
Amy:	What is that on the ground?
J & A(兩人同時說)	Take a look. It's an apron!
Jenna:(電到發抖)	(Wooooo) What is happening? Look, I'm shaking.
Amy:	(liiiiiiii) I am shaking too! Even my body fat is shaking!
J & A(兩人同時說)	It's a (Mmmm...) MAGIC APRON and it has special powers!
Jenna: (臉變快樂)	I want to put the apron on to get the power.
Amy:	I'll help you because I want to touch the magic apron.
Jenna	Wow! The power of the magic apron makes me feel happy.
Amy:(變有精神)	Oh, yeah. Touching the magic apron makes me feel energetic.
Jenna:	I feel I can cook anything.
Amy:	And I'm so hungry that I could eat a horse.
Jenna:	By the way, my name is Jenna.
Amy:	Oh, hi. I'm Amy. Nice to meet you.

Jenna:	Nice to meet you too. We're in American Eagle night market. The magic apron gives me power to make any dishes taste wonderful.
Amy:	Really, any dishes? How about this dish of oyster omelet?
Jenna:	Just put that in your mouth and eat it. I will use my special power to make it taste special. Abracadabra.
Amy:	Hmm...hmm... Wow, the oysters are swimming in my mouth. Hmm...and they taste so juicy and delicious.
Jenna:	Ha, ha, ha. Just call me the "American Eagle magic chef."
Amy:	Hurray! And call me the "American Eagle magic taster."

Jenna:(尋找的說)	I'm going to try my power on something else.
Amy:	How about this bowl of braised fatty pork? It looks so fatty!
Jenny:	No problemo! (No problem!) I'll make the fat in the fatty pork disappear, but the pork will taste just as good. Abracadabra!
Amy:	Holy cow! You did it! Oh my God! The fatty pork is not fatty anymore. What are we going to do with the special powers we have?
Jenna:	Let me think. We're going to open a restaurant.
Amy:	What will we call the restaurant?
J & A(兩人同時說)	The American Eagle Magic Apron Restaurant!

Have a nice day
