

### The Secret Cake from the Best Friend

Shou-chi: I want to tell you a secret. My friend Joey's birthday is coming. I want to make a cake with him secretly. Don't tell him that the cake is made for him. Shhhh! Oh, he's coming! Perfect!  
(Make Italian gesture)

Joey: (Skip in) Shou-chi. Look! Look! I look like a professional chef, right? I know how to make some delicious Italian dishes. (Make Italian gesture) Let's make some together.

Shou-chi: I want to make a cake. Can you make it with me please?

Joey: Making cakes is not my forte. I only know how to eat a cake. (giggle)

Shou-chi: I will make a cake with you. I know how to make cakes.

Joey: Alright. What should we do first?

Shou-chi: Let's dance first.

Joey: Dance? When making a cake, we need to dance first?

Shou-chi: Yes! I know how to make cakes.

Joey: (point at Shou-chi) She knows how to make cakes. Let's dance! (Fall down) I just cannot dance. But wait, does it matter if I can't dance?

Shou-chi: (roll eyes) Actually, it's just a warm up. Let's start making a cake.

Joey: Hurry, hurry, I can't wait!!

Shou-chi: Follow me. 1, 2, 3, go (raise hands) Joey: 1, 2, 3, go (raise hands)

Shou-chi: First, 2 cups of flour, 1 cup of sugar, 3 large eggs, 1 cup of milk, 1 stick of butter and 1 teaspoon of baking powder. and mix mix mix, mix all the ingredients together. (Shake bodies)

Joey: Okay. Mix mix mix, mix all the ingredients together. (no shaking body)

Shou-chi: You need to shake your body as well.

Joey: (??) Does it matter? Oh, right. She knows how to make cakes very well. (Shake body)

Shou-chi: Then, bake the cake in the oven. Last, let's dance again! (start to dance)

Joey: Do you smell something burning?

Shou-chi: Oh no! Hurry! Turn off the oven! Save the cake!

Joey: (Take out the black cake) It's too late.

Shou-chi: (Make a really sad face) That cake was made for you, for your coming birthday, but now, there's no cake. (sigh)

Joey: It's OK. I have my best friend to celebrate my birthday with me. That's much better than a cake. Let's enjoy the special chocolate cake.

**Thank you everyone.**

Have a nice day
