Maggie—A Stinky Tofu Vendor

Ariel—A Reporter

Maggie: (Stay on the stage with her stand.)

Ariel: (Hold a microphone in hands. Walk confidently to the middle of the stage and start to talk.)

Hello, everybody. Welcome to 'Delicious Food around the World'. I am Ariel and this is the Eagle Channel. Today I am in Taiwan. I'll explore all the delicious food in the local night markets. Let's go!

(Walk for a while. Stop at Maggie's stand.)

Hmm... This is a night market in Taiwan. I can smell a lot of different food. It really makes me hungry. (Take a deep breath.) Wait...what's that smell? It is so unpleasant and weird. Oh—(Fall down on the ground.)

Maggie: Come and try my stinky tofu! It's the most stinky in Taipei. (Talk happily.)

Oops! (Run to Ariel and try to wake her up.) Hey! Are you OK?

Ariel: (Sit up slowly.) Oh...the smell is awful... (turn to Maggie.) Thank you for waking me up. The smell is very strange... (breath for 3-4 times, and then turn to Maggie with a shocked voice.) Wait! I can smell the same scent from you!

Maggie: (Talk happily.) Are you talking about my stinky tofu? (Get nearer to Ariel.)

Ariel: Don't come near me...oh! (Fall down again and get up.)

Maggie: Wow, you had fallen down 2 times! You must be very tired and hungry. Come, I'll share my stinky tofu with you.

Ariel: No, thanks! (Smile, try to escape from Maggie.)

Maggie: Come on! I made the silken tofu fermented, so it smells very stinky. And then I carefully fried the tofu to make it crispy. I also chose the sour pickled vegetables of the best quality. That's why my stinky tofu is very popular in the night market. Give it a try!

Ariel: (Eat very reluctantly.) All right, I will try a little. I'll take a small bite. (eat the first bite slowly and hesitantly.) Hey! It's really delicious! (Start to eat happily and quickly.)  
Can you give me a bowl please?

Maggie: Sure!

Ariel: (Turn to the audience.) You've shared my first experience eating stinky tofu. It might be very stinky at first time. However, it is really, really delicious.  
I'll keep walking around the market to see what other delicious food I can find. This is a great adventure!

Maggie and Ariel: (Go to the front of stage.) Thank you for watching!
