

Script (Eason and James) **Host: J a m e s** **Chef: E a s o n**

Host: Hello, everyone. Welcome to our special edition of Tricky Chef! (cheering and clapping hands)

Host: Now, we have a guest who will blow our minds away with a tasty dish. Please welcome Serious Delirious!

Chef: (wearing a funny, colorful wig, serious expression) Good afternoon, everyone. I'm Serious Delirious. I am very serious. I don't smile.

Host: (laughing, facing the camera) He is so funny. (Talking to Chef) I'm sure you smile sometimes, right?

Chef: No!

Host: (smiling) And, if I tickle you. (gets ready to tickle)

Chef: No!

Host: And, if I...

Chef: No!

Host: (confused) Ok, ok... Well, we are here to see you cook after all. Why don't we start?

Chef: Right, the dish I will make is "Clumsy Yummy"

Host: (surprise) Interesting! Can you tell us more about "Clumsy Yummy"?

Chef: Yes. First you need some flour, two eggs, and a cherry.

Host: No problem. We have prepared the ingredients for you. (He gets a tray with the ingredients from under the table)

Chef: Thank you! Now, I need space.

Host: Sure! How much space do you need?

Chef: (pointing) Please walk to the end of the table.

Host: Alright! (he walks to the opposite corner of the table) Ready!

Chef: First, I will put all the flour into a pot(he puts the flour into a pot). Then, I'll crack an egg into it (he cracks one egg). After that's done, someone needs to check the process. Please come back.

Host: (smiling) What can I do?

Chef: Get closer to the pot.

Host: (gets closer to the pot) This close?

Chef: No, closer.

Host: (gets very close to the pot) Here? I don't understand why I'm doing this.

Chef: That's good. Now, close your eyes and count to three.

Host: Ok! (closes his eyes and counts) One! Two! Three!

Chef: (looks at the audience asking everyone to be quiet, smiles, and blows into the pot)

Host: (face covered in flour) What are you doing, Chef Delirious?

Chef: (Serious) I was checking if the ingredients were right (winks to the audience).

Host: But my face is covered in flour!

Chef: Easy to fix. Hold the egg gently, and close your eyes.

Host: (nervous) Ok, your recipes are strange, Chef Delirious!

Chef: (smiles to the public) Don't worry. Everything will be over soon (he presses Host's hands tightly, cracking the egg).

Host: Ouch! What's going on? You are really delirious!

Chef: Ok. Time to bake! (puts the pot under the table)

Host: (cleaning his hands with a towel) I don't know what to say. I apologize to everyone for this. We didn't know Chef Delirious was so...

Chef: (interrupts) It's ready!

Host: Excuse me?

Chef: (takes a beautiful cake from under the table)

Host: (surprise) How's that possible? You...

Chef: It's the special "Clumsy Yummy." Time to try the cake.

Host: Ok... (gets a spoon and takes a bite) Wonderful, Chef Delirious!

It's an amazing dish. Please, clap hands again for Serious Delirious! Thanks you for watching, Tricky Chef!

(Both clap hands and wave goodbye)
