

Jasmine & Mina
BEGIN

Jasmine walks on stage singing “Call Me Maybe” while walking to the television set. She turns on the TV.

CARLY: (call me maybe) “The Obama Cooking Show!”

Jasmine watches as Mina introduces the show and what she is going to cook.

OBAMA: “Hey, it’s time for the Obama Cooking Show, starring me, Obama.” Today, we’re going to show our audience how to cook a simple dish of spaghetti.”

CARLY: Oh, my Obama!”

Jasmine moves to her cooking space in front of the TV and begins to follow Mina’s recipe step by step.

OBAMA: “First, prepare two slices of cheese, one pound of spaghetti noodles, one cup of chopped onion, two pounds of tomatoes and three cloves of garlic. Next, boil one pot of water.”

CARLY: “Okay, got all my ingredients, Obama. I’m ready to cook when you are.”

Mina continues to demonstrate on TV while Jasmine starts to follow but then begins to create her own dish.

OBAMA: "First, place your noodles in the pot of water and let them sit. Next, in a pan, add your tomatoes, garlic and onions. Let the flavors cook together."

CARLY: "Okay, tomatoes in the water, onions in the water and finally...the garlic in the water. Just like Obama said. Now all my ingredients are in the water, I will put my noodles in the pan and let the flavors come together."

Mina shows a completed dish and Jasmine compares it to hers.

OBAMA: "I have a completed dish here for you all to see. This is the spaghetti you just made. I hope you like it." CARLY: "What? The noodles are still hard. What? That's not a sauce. That's a soup! I just made spaghetti soup!"

Jasmine begins talking to the TV set; asking if Mina wishes to try her food.

CARLY: "My Obama! Do you want to give mine a try?"

Jasmine is shocked because the TV replies to her question. They start dialogue.

OBAMA: "Yes, Carly. That sounds great!" CARLY: "What the...did the TV just talk to me?"

OBAMA: "Why are you talking to yourself, Carly? I'm right here."

Jasmine turns around in amazement. Mina comes through the TV set and Jasmine is overwhelmed by her favorite stars presence in her home.

CARLY: "Ahhhh!"

OBAMA: "Hi, Carly."

CARLY: "How did you...what are you....My Obama! I'm such a big fan. I don't even care how you got here from the TV."

Jasmine shows Mina the dish. Mina takes Jasmine to teach her how to cook a new dish.

CARLY: Come, taste my dish. I hope you like it.

OBAMA: Oh, my poor dear, Carly. How about I show you how to cook spaghetti? We can do it together. CARLY: Oh my god. I'm so excited. Let's cook!
