

Donut Chips

Character (2): Donut, Chip

Donut: Hey Chip! I'm so popular now!

Chip: I'm jealous.

Donut: Why?

Chip: In the old days, I was famous but now you have replaced me.

Donut: Oh! Let me think about how to solve the problem.

Chip: Okay!

Donut: Oh! Why don't we mix ourselves together?

Chip: That's a great idea. Let's start.

Donut: First you will need some fresh chunky donuts

Chip: Then you must cut them through the middle

Donut: Next, place the donut into a frying pan set on a high heat.

Chip: Place another pan on top of it and use something heavy to flatten the donut.

Donut: It's now squished flat! It will cook like this for only 1 minute.

Chip: Now turn it over and cook the other side

Donut: This is my favorite part. Decorate it with chocolate.

Chip: You can also cover it with sprinkles. There are so many different kinds that you can make..

Donut: Now we have mixed it together, we are going to have to give it a name.

D&C: It's "Donut Chips!"

Chip: Yum! It's crunchy and sweet, I love it!

Donut: But don't eat too much, or you'll have a muffin top 😊 (point to Chip's tummy)

Chip: Oh no! (Surprise)

Donut: Working together gets the best results

Chip: Teamwork makes the dream work!
