#### 100-Year-Old Fruit Cake Found in Antarctica

A 100-year-old fruitcake has been found in Antarctica. The cake was wrapped in paper in a tin box looks and smells almost edible.

The expedition took shelter in the Cape Adare hut, which had been built by Norwegian Carsten Borchgrevink's team in 1899 — and left the fruitcake behind. A team has been excavating artifacts in the hut since 2016.

The team that found the cake has been on a tour of Antarctica to recover as many items as possible left by explorers. The team was surprised to find the cake still looked edible, however, it smelled a little bit like rancid butter. What the cake tastes like after a century on the ice will remain a mystery, as it's unethical for conservators to taste-test their finds.

## 選擇弋果,讓孩子更有自信說英文

身為英語教職的我,當初被弋果教材及系統化課程所吸引,希望孩子能夠在快樂中學習,並能大聲開口說英文。 Caspar本身是個比較害羞的孩子,開口說英文對他是個挑戰,希望透過弋果浸潤式學習環境,自然而然地使用英文。

每天都到弋果的Caspar,在經過一個學期後,我發現他的英文聽力及口說能力進步許多,亦在Spelling Bee拼字比

賽中獲得佳績!備受肯定的Caspar自信心大增,伴隨而來的成就感讓他越來越喜歡英文,Caspar也常常和我分享上課的喜悅,可見他很喜歡也很享受在弋果的學習。

中壢信義校除了有優質的英文學習環境外,更提供一個充滿"愛"的環境,非常感謝主任Pinky的用心,讓孩子在愛與關懷、溫馨且舒適的環境中學習與成長,孩子學習沒有壓力,就像在家一樣輕鬆自在,我非常放心把孩子交給弋果中壢信義校!

#### A Magic Wand

When I was walking in the deep, dark forest with my silly friend Henry, we discovered something magical! As I looked down at my feet, I saw a wooden stick, as thin as a tree's branch. Looking closer, we noticed this was no ordinary stick! This was a magic wand! We knew this when I carefully picked it up. We thought about the movie.

We waved this mystery stick, then said something not in English,"@#ABC\*?QTAT!" I thought about a toad, and Henry thought about a firefly. So, I turned into a fat, yucky toad, and Henry turned into a crazy firefly, just like a flying cockroach! I said it again, "@#ABC\*?QTAT!" Henry and I turned back to humans. We thought we could take the train to Hogwarts Magic School! It's cool! Then, we used the magic wand to teleport back to Taichung. "Amazing!" we shouted. Then we turned invisible, and ran very fast around the world. When we got back to Taiwan, we met an ugly, stupid witch. She told us that the magic wand belongs to her, so we gave it back to her. This was no ordinary walk through the forest. I'll never forget it.

## 弋果為孩子打造國際力

之初就是以國際格局來思考,引進美加同步的分級制度、教材,孩子們的學習成效足以與國際接軌,也因此有更高更遠的視野。

為什麼寒暑假不跟別人一樣繼續上正課而要辦冬夏令營?為什麼不好好上課而要辦這麼多活動?許多孩子在學習英文的路上很快就放棄了,原因在於不知道自己為什麼要學,畢竟台灣的環境並不需要常常使用英文,因此,製造使用英文的機會、維持孩子學習的熱忱是很重要的!英文能力無法速成,是需要慢工細活一步一步累積的,我們要培養孩子的並不只是考試能力,而是能帶著孩子看世界的素養,當家長們問到:弋果跟其他補習班有什麼不同,我想這就是最貼切的答案!

今年弋果即將邁入二十週年,參與了一半以上歷史的 我,很榮幸這一路上與弋果同行,也期待下一個二十年,繼 續一起為孩子們的未來努力!
